

APPLIED LINGUISTICS AND MULTILINGUALISM

Fall Orientation
September 26, 2023

WELCOME AND INTRODUCTIONS

What is Applied Linguistics?

- “The study of language and language-related problems in specific situations in which people use and learn language” (*Applied Linguistics*)
- An interdisciplinary field that seeks to understand and address “real-world problems in which language is a central issue” (Brumfit, 1995)
- “The study of language and linguistics in relation to practical problems” (Richards et. al, 2002)
- “A practice-driven discipline that addresses language-based problems in real-world contexts” (Grabe, 2010)

What is Applied Linguistics?

Asylum applications denied due to AI translation

The World

Sep. 21, 2023 · 4:12 PM EDT

People seeking asylum are often forced to rely on AI translation tools, such as Google Translate, when they make their cases. But machine translation tools can make mistakes. Reporter Andrew Deck talks with Laicie Heeley, host of the podcast “Things That Go Boom,” about how translation mistakes can be life altering for people seeking asylum.

I'm a native
English
speaker, so
that means I
can teach
English, right?

- We offer a TESOL certificate program, aimed at undergraduate students who want to teach English as an L2, whether in the U.S. or overseas.

LING 50 Introduction to Linguistics (Taught very quarter)

APLX 101 Second Language Acquisition (Taught every winter quarter)
